

ALL NEW

website

bakeboss.com.au

[NEW features]

Favourites List | Add your regular items to your **favourites list** for quick access, or items you want to purchase in future

Themes | Simply locate your theme through our new '**themes**' section, to find all products related to your cake theme. We have many themes from Disney Princess, Unicorns to Christmas - PLUS MORE!

Filters | Filters for everything! Product Categories, Themes, Colours, Featured, Sale, Price & What's New

Price Breaks | The more you buy the more you save! ***Coming Soon** - Selected Products only

NEW Search Bar | You will no longer need an exact match to find what you're looking for - the brand new search bar will find the most relevant results for you. **'More responsive and functional!'**

Notify of Out of Stock Items in Checkout | **Checking** this box ensures you are notified if for some reason a product you purchased becomes unavailable, you will be notified prior to your order leaving our warehouse to discuss possible replacement options. We suggest you leave this box **un-checked** if you would like your order to be shipped regardless of any unavailable products to avoid delays with your order leaving our warehouse.

Express Order | Know the Product Codes of the items you want to search? Simply go to the '**Express Order**' page once logged in, enter your Product Codes and quantities, and place your order all from one screen!

we will continually be improving the websites features to ensure it's a **simple and positive shopping experience for you all**
