

## LUNASOFT SL - A GREAT COLOUR RANGE!

Lunasoft SL is a high quality smooth EVA sheet that we import from NORA in Germany. It's lightweight, stable and easy to cut, heat and apply to insoles or other orthoses. At around EVA200 grade it's perfect for these applications and is available in a range of thicknesses starting at 2mm. Closed cell - washable & hygienic

**DBS IS THE ONLY PLACE WHERE YOU CAN GET ALL THESE COLOURS!**

Prices are excellent too starting at \$30 - see the website. Better prices available for bulk quantities.  
All sheet sizes 1280 x 890mm except \*Grey 890 x 640mm \*\*Black 1140 x 740
